

Georgette Hall
Botany Road, Alexandria
NSW 2015, Australia

12 September 2016

Paul and Sandra were housemates of mine from February to August 2016.

They were very clean, tidy and responsible and always considerate of me and my guests.

They are honest people who respected my privacy and I trust them without hesitation. They are friendly, have a positive outlook on life and a good sense of humour.

I don't hesitate to recommend them as housemates or in any similar capacity.

Kind regards

A handwritten signature in black ink, appearing to read 'Georgette Hall', with a stylized, cursive script.
