Reconnect With Nature

#WorldValuesDay

Do you think a leaf looks boring? Look closely and you'll see textures and colours and a lot of other things going on. Find your own leaf and colour and draw what you see.

Imagine you are a sparrow. What would you do during the day? In the section below, write a story about what you would do and answer the questions.

What can you see?

What can you hear?

What can you smell?

What do you like to do?

What gets you excited?

What makes you frightened?

Draw a scene from your story
